DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1,9,10, are rejected under 35 U.S.C. 102(b) as being anticipated by USP 4,696,902 (Bisconte).

The Bisconte patent discloses an incubator which comprises transparent walls (3,9) for visually inspecting the interior of the incubator. Inside the incubator are shelves (1) for supporting the specimens. The incubator is also equipped with a video camera for monitoring the sample containers (col.3, lines 64-67; col.4, lines 47-67).

Allowable Subject Matter

Claims 2-8 are objected to for being dependent upon a rejected claim.

Claims 2-8 would be allowable if rewritten and to include all of the limitations of the base claim and any intervening claims.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A Redding whose telephone number is 703-308-3910. The examiner can normally be reached on Mon.-Fri. 6:00 - 3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Warden can be reached on 703-308-2910. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703-308-3910.
